Spartanburg, SC - Stephanie Alexis Henderson, daughter of William and Charlotte Henderson of Spartanburg, SC, is the inaugural recipient of the *Ann T. White Memorial Scholarship for Future Educators*. Ms. Henderson was selected to receive the award based on her academic excellence and commitment to service.

Stephanie Henderson is a bright and conscientious student who knows how to set goals and reach them. She is ranked 38th in a class of 160 with a GPA of 3.85 and has enrolled in a number of honors, AP and dual credit courses. She has been on the Honor Roll for all four years of high school, and is a member of *Who's Who in American High Schools* and the *National Honor Society*. Stephanie has helped broadcast the Broome morning news show, has been a member of the Beta Club, Spanish Club, Muse Machine, Kiss Club, and has been involved in numerous Service Learning projects.

On a personal level, Stephanie is considerate of others, and in her spare time, she volunteers at the Spartanburg Children Shelter. She plans to attend the University of South Carolina - Upstate, major in Early Childhood Education, and become a teacher.

The *Ann T. White Memorial Scholarship for Future Educators* was established by family and friends of Dr. White after her death in January, 2007. Ann had a 29-year career as a well-respected and highly-regarded educator and administrator. She retired in 1995 as an Assistant Superintendent with Spartanburg County School District 3 and became a nationally-known speaker promoting her *Twelve Commandments for People Who Work With People*. The scholarship is awarded in Ann's memory to a Broome High School female graduate who plans to pursue teacher certification or a degree in education.
